2024 WAGYU SEMEN SALE

TENDERS OPENS 29 JULY at 8am
CLOSING 31 JULY at 5pm (AEST)

While care has been taken to ensure that information contained in the AWA-PTP Semen Sale Catalogue is true and correct at the time of publication, changes in circumstances after the time of publication may impact on the accuracy of this information. Buyers of semen are encouraged to undertake their own due diligence with respect to the purchasing of the semen prior to submitting their tender.

AN IMPRESSIVE COLLECTION OF THE FINEST NEXT GENERATION WAGYU GENETICS

The **2024 AWA-PTP Semen Sale** is the fourth of the 2021-2031 AWA Progeny Test Program. Participating in the Semen Sale will enable you to secure semen lots that will link your herd to the core genetic improvement program that will drive the future of the global Wagyu sector. In turn, it will increase the linkage of your herd to the AWA-PTP genetic nucleus and allow you to benchmark your herd against the AWA-PTP, including increasing the accuracy of EBVs for your progeny and females in your herd.

On offer will be semen from 11 sires entered in COHORT 4 of the program, along with 27 sires from COHORT 1 to 3 of the program. These sires are at the forefront of Wagyu breeding, with many in the top 1% BREEDPLAN EBVs for key traits and the top 1% for Breed \$Indexes. This guide includes the latest data and information on each of the sires on offer.

The sale will be held by tender opening on 29 JULY 2023 at 8 am and closing at 5 pm 31 JULY 2024 (AEST).

The Australian Wagyu Sector is going from strength to strength in terms of the rate of genetic progress for core profitability traits and increases in EBV accuracy. The AWA welcomes participants from around the world to share this unique opportunity to secure the finest of the next-generation Wagyu genetics available outside Japan.

We wish all buyers well with this opportunity to purchase some of the world's best Wagyu genetics linking your herd to the core global reference population.

Kind regards,

Dr Matt McDonagh

Chief Executive Officer
Australian Wagyu Association
