

# GATEWAY WAGYU ONCE-IN-A-LIFETIME HERD DISPERSAL

## TOTAL HERD DISPERSAL!

1350 REGISTERED FULLBLOOD & POLL WAGYU

After years of dedication to **breeding excellence**, the **Gateway Wagyu Family** is offering a **rare and exclusive opportunity** to acquire **genetics** from one of Australia's most **elite Fullblood Wagyu herds**.

This **total herd dispersal** presents an unparalleled chance for **serious breeders and investors** to secure **proven bloodlines** renowned for **premium marbling**, **superior carcass traits**, and **elite pedigrees**.

## FEATURING IN THIS YEAR'S ELITE WAGYU SALE 2025

### LOT 13 - GATEWAY UNITED U0043 (ET)

Bred from GTFFS0035 and an F126 sire, U0043 was designed to enhance carcass weight and marbling. Holding the highest SRI on the AuWA since birth, this is a rare opportunity to secure top-tier genetics.

### LOT 19 - GATEWAY G113 U0047 (ET)

A rare G113 son from the exceptional SMOFK0136, one of Simon Coats' standout females. This elite sire carries genetics that may never be available again—a true tribute to one of Australia's pioneering Wagyu breeders.
