# 2026 Wagyu Branded Beef Competition

The Australian Wagyu Association (AWA) is proud to present the 2026 Wagyu Branded Beef Competition.

The highly regarded Wagyu Branded Beef Competition seeks to promote excellence in Wagyu beef production in 5 categories providing an opportunity for producers to benchmark their product and showcase the leading brands of Australian Wagyu.

Entries will open on 20th October and will close on 31st October 2025.

Once your entry information has been received, checked, and accepted, we will be in contact with additional entry information and deadlines.

# **ENTRY DETAILS**

### **Entry fees**

Entry fees are payable on receipt of invoice and non-refundable once entry is accepted by the Australian Wagyu Association. All prices listed are exclusive of GST. The AWA will invoice you for the classes you have entered.

Classes 1, 2, 3, 4 and 5 - \$1050 + GST per entry.

## **Delivery of Exhibits**

Entries in Classes 1, 2, 3, 4 and 5 to be delivered to Prime Cut Meats from 24th November to 28th November 2025.

#### **Branded Beef Classes**

## **CLASS ONE – Fullblood Japanese Black Steak**

All entries must be Herdbook registered, or a DNA sample will be taken by AWA for genomic testing and parent verification. Class 1 optimises the ultimate in the Fullblood Wagyu eating experience, with elevated marble score, fineness and high levels of unsaturated fat producing a luxury eating experience like no other.

# **CLASS TWO – Purebred Wagyu Steak**

All entries must be by a registered sire, a DNA sample will be taken by AWA for genomic testing, Wagyu Content testing and parent verification. Class 2 is a category that recognises the outstanding gains being seen in the Purebred Sector (93+% Wagyu). Capable of achieving very high marble scores, these purebred entries are combining leading Fullblood genetics with new characteristics such as polled.

#### **CLASS THREE Open Crossbred Wagyu Steak**

No Marble score restriction, a DNA sample will be taken by AWA for Wagyu Content testing and parent verification. Class 3 is a long-standing feature of the WBBC and is open to all non-Fullblood and non-Purebred Crossbred Wagyu cattle of at least 50% to a maximum of 93% Wagyu (F1 - F3+). It celebrates the best of Crossbred Wagyu production.

## **CLASS FOUR Open F1 Wagyu Steak**

No Marble score restriction, a DNA sample will be taken by AWA for genomic testing, Wagyu Content testing and parent verification. Class four is a category that recognises the power of Fullblood Wagyu genetics over optimal dam genetics from other breeds. All Class 4 entries are to be 50% Wagyu from Fullblood sires. The Open F1 Wagyu Steak class provides an opportunity to showcase the best of F1 Wagyu production.

# **CLASS FIVE Commercial Wagyu Steak Marble Score 5-7**

A DNA sample will be taken by AWA for Wagyu Content testing and parent verification. Class five is a staple for all Crossbred Wagyu brands, representing value and premium quality within Crossbred wagyu production. Within the Marble Score 5-7 category, the Wagyu Commercial steak can provide access to unique fine marbling and dining characteristics unique to Wagyu influenced products. All Class 5 entries are to be 50% Wagyu from Fullblood sires.

#### GENERAL COMPETITION REGULATIONS AND ASSESSMENT CRITERIA

- Exhibitors must be a member (Full Member or Associate Member) of AWA to be eligible to enter
  this competition. All members will be allowed to enter the competition, including AWA Board
  members. Any member entering a product into this competition shall not take part, in any way,
  in conducting the competition, viewing results or issuing awards.
- 2. Exhibitors must state on the "Application to Enter" form the classes to be competed for. The Stewards and/or Judges may move an entry to another class if it is deemed that the entry is "out of class".
- 3. Judging will be conducted by Judges appointed by the AWA. Sponsors for the BBC are invited to be part of the panel, as well as specialist chefs, food critics and members of the broader food and Wagyu community. Judging will be "blind". All entries will be coded and at no time will any of the Judges be aware of the Brands or ownership of any of the samples (apart from the codes).
- 4. The exhibitor irrevocably consents to:
  - i. The AWA publishing or reproducing in any manner whatsoever any particulars or information in relation to their exhibits; the publication or reproduction may be in printed form or visual image through electronic means and/or the internet.
  - ii. The AWA conducting any tests or analysis of any description upon the entries at the discretion of the AWA.
- 5. Presentation of Awards: awards will be presented at the 2026 WagyuEdge Conference Dinner.
- 6. AWA will not be responsible for any loss, damage to or mis-delivery of any entry.
- 7. Exhibitors agree to the publication of all competition results.
- 8. All award-winning entries must only use the Australian Wagyu Association medal/trophy designs. Artwork will be supplied to all prize-winning exhibitors.
- 9. Exhibitors of awards agree that all advertising, promotion, or labelling arising from Gold, Silver and Bronze awards will be issued to all exhibitors that have achieved the minimum score attributed to each award. These levels will be at the discretion of the judges for each class. Trophies will be awarded to all Gold Medal recipients.
- 10. A Grand Champion award will be issued to the entry gaining the highest overall points from within all classes.
- 11. Each brand is limited to four entries across all 5 classes of the competition.
- 12. All exhibits to become the property of the AWA.

wagyu.org.au/wbbc 🚹 🛂 🕻 in

- 13. All entries must be taken from carcases slaughtered at an AUSMEAT accredited and audited processing plant, with EST number provided.
- 14. Ageing it is recommended that all exhibits are aged no more than 28 days.
- 15. Classes 1, 2, 3, 4 and 5 Each exhibitor is to supply 1 x whole Striploin of H.A.M. 2140 or 2141 or 2142 or 2143, together with a copy of the carton end panel from which the entered product originated.
- 16. All entries will be subjected to Digital Analysis by the Meat Image Japan Digital Camera between the 10<sup>th</sup>/11<sup>th</sup> and 12<sup>th</sup>/13<sup>th</sup> rib sites. Any entries that have a marbling percentage higher than the cut-off for marble score 7 will be excluded from class 5.
- 17. Parentage for all exhibits must be provided, including sire and dam for entries in the Fullblood class, with sire to be provided for the Crossbred and Commercial classes if known, along with the breed or grade category of the female. AWA will take a DNA sample from each entry and this sample may be subjected to parent verification tests to ensure their Wagyu eligibility.
- 18. The award will include the year and class description of the award.
- 19. All entries must be not older than 36 months of age at the date of slaughter.
- 20. All entries must not exceed 500 days on feed.
- 21. AWA reserves the right to exclude any entry that displays signs of spoilage, including visual, discolouration, off aromas and consistency of the meat exudate.

# STRIPLOIN BONELESS BEEF

Each exhibitor is to supply 1 x whole Striploin of H.A.M. 2140 or 2141 or 2142 or 2143, together with a copy of the carton end panel from which the entered product originated

# **Australian Handbook Number**

2140 = 3 Rib

2141 = 0 Rib

2142 = 1 Rib

2143 = 2 Rib

Striploin is prepared from a Hindquarter by a cut at the lumbosacral junction to the ventral portion of the Flank. The Flank is removed at a specified distance from the eye muscle (M. longissimus dorsi) at both cranial and caudal ends.
